Glazed Porcelain Wall Tile

floridatile

Shown: **IP00 12x22** Arles

Impero<sup>HDP</sup> glazed porcelain wall tile by Florida Tile is the new wall tile collection inspired by the elegance of Travertino Romano used in the ancient Roman monuments. The surface of Impero<sup>HDP</sup> is stacked in the design creating a break of levels that reproduces shades of Travertino, from milky white to walnut, through yellow to pink.

Thanks to high technical and aesthetic characteristics, this product allows a lot of versatility and delivers an uncompromising level of color and variation using our HDP – High Definition Porcelain® printing technology. These combined style and technology can be used in any design, Impero<sup>HDP</sup> is a perfect product for covering internal and external walls of public, commercial and residential environments of contemporary and architecture of the past.

Sized 12x22 permit the laying interlocking turn by creating uniform walls and aesthetical continuity. Frost, light and spots resistant, this product is unalterable in time, simple to lay and to clean and it doesn't require any additional treatments or maintenance.

This porcelain wall tile product line is appropriate for all interior and exterior wall and backsplash applications, is made of 40% pre-consumer recycled content and is GREENGUARD® and Porcelain Tile Certified.

**Color Variations**

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

**V2 = Slight Variation (Chester)**

Clearly distinguishable differences in texture and/or pattern with similar colors.

**V3 = Moderate Variation (Todi & Arles)**

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece may vary significantly. For example, "that little bit of color" on one piece of tile may be the primary color on the next piece.
